

Retelling

Sist oppdatert: 11. november 2003

In this exercise the pupils are going to retell the story to each other with the help of the illustration below.

Equipment

A printout of the illustration below (click on it to open).

Procedure

The pupils work together two by two. Give each group a copy of the printout. Then the first pupil is going to retell the story to the other pupil with the help of the illustration. Then let the other pupil retell the story to the first pupil.
